HANDCRAFTED JEWELLERY

Thank you for your purchase!

In supporting this small business, you've helped support a dream.

As with most handmade jewellery please take care when handling your new pieces.

They can be cleaned with a soft cloth, and should be stored in a dry place, preferably in a plastic bag to help reduce any oxidization of metals.

Remove while exercising, swimming/showering and sleeping. Contact with other metals, moisturizer, sunscreen and perfumes should be avoided.

Happy styling!

-Meg
